

2 JOHN

What does it mean to walk in truth?

Don't believe anything you read on the internet. The world is full of fake news and its difficult to tell if what we hear is actually what is true. The best was to not be misled is to find the facts from reliable sources.

Just as its important for us to know the facts so we can judge if what we read is true we also need to know the facts about Jesus so we can walk in truth. John is full of Joy because he has heard that people are walking in the truth. They have not been misled into believing things about Jesus - THE BIBLE. It's where we get our guide for living.

SONG

AWESOME GOD
HILLSONG UNITED

Write down some truths you know about Jesus, the things he told us to do and the things he said. Then look them up, can you find them in the Bible.

Make some footprint shapes on paper by drawing round your feet. Then write out the truths that you find in the bible on your footprints to display so you can remember to walk in truth.

You can add more footprints as you find out more truths.
